

## LECTURE THEATRE BRADFORD ROYAL INFIRMARY

Landmark innovative teaching facility

<b>Client</b>	Bradford Teaching Hospitals NHS Foundation Trust
<b>Project</b>	New lecture theatre development
<b>Project Details</b>	Value: £2.5m
<b>Programme</b>	2007/08

### Objectives

- > State of the art teaching facilities
- > International recognition as a leading teaching hospital
- > Innovative design

### Derrick Kershaw Partnership

- > Quantity Surveyors and CDM Co-ordinator
- > Supporting the Project Manager and Architect
- > Adhering to strict NHS Budgets
- > Traditional tender process
- > Appointing specialist design and build sub-contractors and suppliers

The landmark design comprises a cylindrical curtain walled enclosure. This houses a suitable break out

### Client Quote

*"Derrick Kershaw Partnership have worked excellently alongside the Trust representatives, their contribution so far has been highly valued. We all have high hopes for the project and even higher hopes for the end result. Based on the work done so far we are confident that Derrick Kershaw Partnership will not disappoint us."*

**Mike Clegg - Assistant Director of Estates, Bradford Teaching Hospitals NHS Foundation Trust**
